ATTICA ANNOUNCES FOUR FLOORS OF CONTEMPORARY FURNITURE SHOPPING IN DOWNTOWN HALIFAX

Atlantic Canada's first contemporary furniture store brings downtown customers Attica Kids and more Attica

Halifax, Sept. 6, 2007 – Attica Furnishings Ltd. today announced that it is expanding its retail operations at 1566 Barrington Street from two floors to four floors of contemporary furniture and accessories. In conjunction with this expansion, Attica Kids, currently located in Bayers Lake, will be moving to the third floor of the Barrington Street location.

"This is a dream come true for us," says Suzanne Saul, co-owner of Attica. "We're so happy to be able to bring both stores under one roof, as well as expand our Attica selection, particularly with even more great Canadian contemporary design".

"The expansion of the existing Attica store and the addition of Attica Kids to Barrington Street, all under one roof, is very exciting for Downtown," says Paul MacKinnon, the Executive Director of the Downtown Halifax Business Commission. "It not only shows a commitment to the downtown by one of our most prominent retailers, but it also brings a return to the street of the multi-level store. Having four floors of contemporary adult and kids' furniture and accessories will be a great draw to Barrington for shoppers of all ages."

Attica Kids will move from its Bayers Lake location at the end of this month, where it will temporarily reside on the second floor of Attica. Attica will begin renovations on the third and fourth floor when Spirit Spa moves to their new location at Salters Gate at the end of October. Currently Attica plans to open all four floors to the public during December.
